## **Optivor Recognized For "Largest Woman-Owned Businesses in Greater Baltimore"**

Annapolis Junction, MD August 8, 2017—Optivor Technologies, LLC, has made the Baltimore Business Journal list again. In a special recognition appearing in the August, 2017 issue of Baltimore Business Journal, Optivor was selected for the following honor:

"Largest Woman-Owned Businesses in Greater Baltimore "

Dearest Chandler, Optivor's Managing Director commented on the recognition: "This is quite an honor for us. The fact that Baltimore Business Journal included Optivor in its selection of "Largest Woman-Owned Businesses in Greater Baltimore," signals that our constant efforts towards business excellence are paying off. We are proud to be included in this recognition."

Optivor has been a Maryland company since 2001, achieving woman-owned status in January, 2013. Optivor's client list includes the U.S. Government, state, local and Fortune 1000 organizations. Optivor has delivered more than 8,000 solutions worldwide.

In June, Optivor finalized the acquisition of Advanced Communications Solutions ("ACS"). Headquartered in Orlando, ACS is among the nation's top NEC resellers. Together, Optivor and ACS represent one of the largest independently-owned telecommunications resellers in the United States.

Chandler added, "We are pursuing larger opportunities globally, and have made significant investments in our ability to compete and deliver. Our capabilities and geographic coverage have grown exponentially, and we are beginning to realize some of our strategic investments."

### **About Optivor:**

Headquartered in Maryland, USA, Optivor is a global leader in enterprise communications solutions and IT services. The company provides unified communications, contact centers, data solutions, video teleconferencing and related services directly and through its partners.
