**OPTIVOR RECOGNIZED AS BALTIMORE AREA'S 13<sup>th</sup> LARGEST WOMAN-OWNED COMPANY**

Annapolis Junction, MD – Optivor Technologies, LLC has been recognized by the Baltimore Business Journal as one of Baltimore's Largest Woman-Owned Companies. Optivor was ranked #13, based on 2019 revenues for companies in the Baltimore area.

Optivor has been a Maryland company since 2001, achieving woman-owned status in January, 2013. Optivor's client list includes the U.S. Government, and thousands of state, local and commercial organizations.

According to Dearest E. Chandler, Optivor Managing Director, "We are proud to be recognized, and we are thankful to our customers, team members and stakeholders. We are supporting larger organizations globally and have made investments in our ability to compete and deliver. Our capabilities and geographic coverage have grown significantly with our acquisition of Advanced Communications Solutions ("ACS").

Together, Optivor and ACS represent one of the largest independently owned telecommunications resellers in the United States.

**About Optivor:**

Headquartered in Maryland, USA, Optivor is a global leader in enterprise communications solutions and IT Services. The company provides Unified Communications, Contact Centers, Data solutions, Video Teleconferencing and related services directly and through its partners. Enterprises of all sizes depend on Optivor for state-of-the-art communications that improve efficiency, collaboration, customer service and competitiveness. Optivor is ISO 9001:2008 registered. We have satisfied clients in at least 88 countries.
