Optivor Acquires STE Communications

Annapolis Junction, MD August 31st, 2020—Optivor announces the acquisition of STE Communications, Inc.

Today, Optivor Technologies, LLC, announced the completed acquisition of Orlando-headquartered STE Communication, Inc. The terms were not disclosed, however, Stuart Chandler, Optivor’s President & CEO stated, “This acquisition increases Optivor’s technical capabilities and provides significantly more customers in Florida. We are delighted to welcome STE’s employees and customers into the Optivor family.”

STE is Optivor’s second Florida-based acquisition since 2017 (Advanced Communication Solutions, Inc). Optivor’s immediate plans are to enable the combined resources under the Optivor brand. Chandler added, “Now, customers of any size can leverage Optivor’s collective capabilities on current and future communications requirements. Since 2000, Optivor has provided more than 14,000 communications solutions. Over the years, we have worked with very small companies, Fortune 500, and we have assisted the Department of Defense with global projects. STE customers are in good hands.”

About Optivor:

Headquartered in Maryland, USA, Optivor is a global leader in enterprise communications solutions and IT services. The company provides unified communications, contact centers, IT products and related services directly and through its partners. Enterprises of all sizes depend on Optivor for state-of-the-art communications that improve efficiency, collaboration, customer service and competitiveness. Optivor is ISO 9001:2015 registered. We have satisfied clients in at least 88 countries.
