NEC awards Optivior as “Early Adopter” of NEC UNIVERGE BLUE

Annapolis Junction, MD, March 18, 2021— Optivior Technologies have received the “Early Adopter Award” as a part of NEC Corporation of America’s (NEC) Fast Start Program. This award from NEC honors Channel Partners who were early adopters of Univerge Blue Cloud Services and are improving customer care, employee engagement, and business operations.

Stuart Chandler, Optivior’s President and CEO stated, “I am immensely proud of the Optivior team and we thank NEC for this nod to our achievements. We are excited for a bright future with NEC in the UCaaS/CCaaS space, selling one of the fastest growing technologies”.

“We greatly value Optivior’s partnership as an Early Adopter”, said Marc Hebner, VP of Channel Sales. “We are thrilled for the early sales performance of our UCaaS/CCaaS platform and excited for our future partnership together”.

About Optivior:
